

GERALD WILLARD DAY

Owner and President of Day's Market Thriftway, Gerald brings to the Payson area over 40 years of grocery experience. After 5½ years with Safeway and 18 years at Albertson's, Gerald has devoted the past 16 years to operating his own stores. Gerald is further involved in the grocery business as a member of the Board of Directors of Associated Food Stores, Salt Lake City, Utah and is past Chairman of the Board of the Utah Retail Grocers Association. Beyond that, Gerald is also involved with people. He is past President of the Heber Valley Rotary Club, Heber City, Utah and has served as District Chairman of the Boy Scouts of America. Gerald firmly believes that a foundation of service and true values to the customer is essential to a successful grocery store operation . . . and he is proud to share these principles with you and the community.

LELA DAY

Lela Day, Gerald's wife, has been as deeply involved and active in the grocery business as her husband. Lela has been President of the Women's Grocers of America. In fact, the entire Day family is involved in the business as Gerald and Lela's four son's all manage stores in the Utah market. Lela and Gerald are happy to be a part of the community with their newly remodeled, full-service store.
